SUBJECT: BLUE LANTERN LEVEL 2: PRE-LICENSE END-USE CHECK  
ON LICENSES 050175550, 050189258, AND 050189260

¶1. (U) This is an Action Request. See paragraph 4.

¶2. (U) The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a pre-license checks on licenses 050175550, 050189258 and 050189260 for the export of pistols to the Philippines. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

¶3. (SBU) Reason for Request: Information obtained by PM/DTCC indicates that foreign consignee Trust Trade may be using fraudulent supporting documentation to import Glock handguns into the Philippines for resale and possible re-export. The information also suggests that individuals within the Government of the Philippines with authority to issue import certificates and/or government purchase orders may be knowingly providing these fraudulent documents (NOTE: This information may lead to a criminal investigation and should be held closely. END NOTE). This request is for Post to establish the bona fides of these transactions and Trust Trade.

¶4. (U) Action Request: Post is requested to establish the bona fides of these transactions and foreign consignee Trust Trade by making inquiries to representatives of the company and appropriate authorities of the Government of the Philippines. The following points are included for guidance:

(To Trust Trade)

--When was your company established and who are its principals?

--Your purchase order indicates that your company is owned by GIGI Industries Inc. When was that company established and who are its principals? Where does that company reside? What other companies does GIGI Industries own and/or operate? Where do those companies reside?

--What products and services does your company provide? Who are your regular customers and where do they reside?

--What are your annual sales of U.S.-origin firearms?

--How did your company become a distributor of Glock firearms in the Philippines? When was this relationship established? What are your annual sales of Glock firearms and who are the typical customers? Who is your usual liaison with Glock (HK) Limited of Hong Kong? With Glock Inc. of the United States? Do you direct all of your purchase orders to Glock (HK) Limited (vice Glock Inc. of the United States)?

--For the transactions involving the Philippine National Police, will your company ever have physical possession of those firearms? Please provide all documentation for those transactions.

--Are you familiar with the regulations governing the import of U.S.-origin defense articles, including restrictions on re-transfer or re-export?

(To Philippine National Police)

--Can the PNP confirm the order of the firearms listed on license applications 05017550 and 050189258?

--Can you confirm that the firearms listed below are being purchased for official use by the PNP?

--Why didn't the Chief Accountant sign Purchase Order No. PNPPO#0-092508-017 as Mr. Antonio P Petrato had for PNPPO#0-270709-011?

(To Appropriate Import/Export and/or Law Enforcement Authorities)

--Is Trust Trade legally permitted to own and/or operate a firearms business in the Philippines?

--Is GIGI Industries legally permitted to own and/or operate a firearms business in the Philippines?

--Do you have any information on Trust Trade or GIGI Industries that would question their reliability as a recipient of U.S. defense articles?

In its reply, Post is encouraged to comment on any other information pertinent to these transactions such as security of facilities, end-use, and concerns about the entities involved.
